Public Notice NJDEP Permit Applications

Date: October 13, 2023

Re: Application submitted by: New Jersey Department of Transportation

Regarding project at:

REF: Route 49 Bridge over Maurice River, Superstructure Replacement
City of Millville, Cumberland County, NJ
Notification of Application for NJDEP Permit
Certified Mail

Dear Interested Party:

This letter is to provide you with legal notification that applications for an ***NJDEP CAFRA/Waterfront Development (In-Water and Upland) & Coastal Wetlands Individual Permit*** will be submitted to the New Jersey Department of Environmental Protection, Division of Land Use Regulations for the development shown on the enclosed plans(s). A brief description of the proposed project follows:

The New Jersey Department of Transportation (NJDOT) is proposing to replace the existing superstructure and deck and rehabilitate the substructure of the Route 49 Bridge over Maurice River. Additional drainage and utility improvements (including the relocation of bridge mounted water and sanitary sewer mains) to enhance traffic safety will also be completed. Superstructure and deck replacement will not change the number of lanes, size of bridge, shoulders, or sidewalks. The existing railing will be replaced, and approach pavement will be reconstructed with new stripping added to the roadway.

The complete permit application package can be reviewed at the municipal clerk's office in the municipality in which the site subject to the application is located or by appointment at the Department's Trenton Office. Either a 30-day public comment period or public hearing will be held on the application in the future. Individuals may request a public hearing on the application within 15 calendar days of the date of receiving this letter. requests for a public hearing shall be sent to the Department at the address below and shall state the specific nature of the issues to be raised at the hearing:
